

FIRMING UP More support pours in, 2 railway unions to observe Bharat Bandh

PRESS TRUST OF INDIA
New Delhi, December 7

TWO OF THE biggest railway unions on Monday pledged their support to the Bharat Bandh on December 8 called by farmer unions which have been protesting on Delhi's borders against the Centre's new agri-marketing laws.

The All India Railways' Federation (AIRF) and the National Federation of Indian Railways (NFIR) extended their support to the agitating farmers by calling on their members to hold rallies and demonstrations on December 8 in a show of solidarity with the farmers.

AIRF general secretary Shiva Gopal Mishra met the agitating farmers at Singhu border and assured them that members of the railway union are with them in their fight against the new agriculture laws.

"We have written to our affiliates all over the Indian Railways to extend support to the farmers in their struggle to achieve their genuine demands, on December 8, 2020 during 'Bharat Bandh'. I have already advised AIRF affiliates to organise agitation programmes, dharna,

demonstrations and rallies during lunch hour against anti-farmer policies of the Government of India.

"I hope that the government will give cognizance to the genuine demands of the farmers and redress the same at the earliest," he said.

NFIR general secretary M Raghaviah, in a statement, appealed to Prime Minister Narendra Modi to accept the demands of the farmers. He said the railway families are with the "annadata" (food-giving) in their struggle against the anti-farm laws which are "detrimental to the farmer community of the nation".

The NFIR general secretary advised all its affiliate unions throughout the Indian Railways to conduct dharnas, rallies and demonstrations in solidarity with the farmers' struggle and against anti-farmer decisions of the central government.

The two unions comprising 13 lakh railway employees and around 20 lakh retired employees, according to the union leaders, are the latest to show solidarity with the agitating farmers.

Farmer leaders: Nobody should be forced, emergency services allowed

FARMER LEADERS ON Monday said that emergency services will be allowed during 'Bharat Bandh' on December 8, and appealed to their affiliates to not force anyone to observe the shut down. Addressing a press conference here, farmer leader Balbir Singh Rajewal

said that the Central government will have to accept the demands of farmers to scrap the new laws whose passage has sparked protests. The agitating farmers have already announced that they would occupy toll plazas between 11 am to 3 pm during the 'Bharat Bandh'. — PTI

EVEN AS THE MODI government's unrelenting attempts to resolve the farmers' agitation through dialogues is making little headway with agitating peasants are adamant on their demands, as many as 23 farmers and agriculture trade-related organisations in the Prime Minister's home-state Gujarat have come together on a common platform 'Gujarat Khetut Sangharsh Samiti' and pledged to back protesting farmers.

To spread the agitation across Gujarat a marathon meeting of the representatives of these organisations including that of Akhil Bharatiya Kisan Samiti, Gujarat Kisan Congress, Gujarat Khetut Samaj (GKS), Marketing Yard Ekta Vyapari Sangathan, Dharti Putra Kisan Trust and others from across the state was held at Ahmedabad, said Jayesh Patel of GKS adding that in the meeting it was decided to wholeheartedly support the agitating brethren near Delhi and back Bandh call given for the 8th December 2020.

Maha farmer bodies urge govt to lift ban on onion export

NANDA KASABE
Pune, December 7

FARMER BODIES ACROSS Maharashtra have urged the Centre to lift the ban on onion export as prices have started declining. On Monday, wholesale onion at Lasalgao were available at a minimum price of ₹1,000 per quintal and the maximum price of ₹3,600, with modal prices touching ₹2,500 per quintal for red and ₹1,400 for the Golti (old) variety. Daily arrivals are around 2,500 quintal.

President of the Maharashtra State Onion Producers Association Bharat Dighole said the association has submitted representations to several government authorities seeking resumption of export.

In a notification issued on September 14, the Directorate General of Foreign Trade said export of onions in forms other than cut, sliced or powder was banned. "The export on all varieties of onions is prohibited with immediate effect," said the notification.

Jaydutta Holkar, director, Vashi Agricul-

ture Market Produce Committee (APMC), and former chairman, Lasalgao APMC, said the government was quick to issue orders to ban exports when prices had touched ₹5,000 per quintal, but is keeping mum now when prices have dropped to ₹2,000. Holkar has warned that if onion exports do not open immediately, the Mumbai APMC will contact the market committees across the state and decide to shut market committees indefinitely until the demand is met.

"Prices of onion went up to ₹5,000 on September 14, and the Centre immediately imposed an export ban. After that, the income tax department raided traders to prevent the price of onion from increasing. The government also decided to import onion to reduce prices," he said.

Onion prices have dropped to ₹15-25 per kg from ₹30-40 per kg a few days ago at the Navi Mumbai APMC wholesale market. A surge in arrivals from local producers and imports from Turkey, Iran and Egypt have eased prices. The fresh crop has started arriving.

Govt needs to implement diversified food basket schemes

THE CENTRAL GOVERNMENT needs to implement schemes that encourage a diversified food basket by mapping the food consumption patterns and nutrition, a study by ICRISAT said.

The trade-off between promoting agricultural production and nutrition must be confronted and leveraging agricultural policies and programmes to be more "nutrition-sensitive" and reinforcing diet diversification will help focus on both nutrition and development, it said.

According to the study, agricultural programmes and policies should focus on improving diet diversity and access to micro-nutrient rich diets to improve nutritional outcomes.
